**\*\*** The printed materials (such as the Contract) can be found on the website. (<http://yurt.medipol.edu.tr>)

#### **5. OBLIGATIONS OF THE DORMITORY MANAGEMENT**

**5.1.** Dormitory Management has to ensure that the student can use the room they are going to stay within the validity period of the Contract. In compulsory situations, the accommodation of the student can be changed temporarily or permanently by the Management, and the room and the bed can be changed without asking the student. If there are fewer students than the quota of the room, additional students may be transferred to the room (via new registration or from another room). Students cannot stay below the room capacity. (there should be three students in the triple room and four students in the quad room) In this regard, student approval is not asked, and the authority belongs to the Management, and no objections will be sustained.

**5.2.** Dormitory Management has to provide the necessary accommodation conditions in student rooms and common areas.

**I have read, accepted and acknowledged.**

5.3. Wi-Fi service in the dormitories is equipped with a quota limit determined by the Information Technologies Department.

5.4. The beddings are washed in a fortnight free of charge. (In mandatory cases, the extension of this period cannot be questioned.)

5.5. Daily quota is determined by the number of the people in the rooms for the toilets, and toilet paper is given to the students in this quota.

5.6. The rooms are cleaned every weekday by the Dormitory Management. However, the necessary environment must be provided by the students staying in the room during the cleaning process. Rooms that are left messy, which leads an obstacle for the janitors, will not be cleaned. If the room is not suitable for cleaning, the student is warned by Dormitory Management, and disciplinary action is taken.

5.7. The service provision commitment is valid from the earliest September until the end of June (10 Months). Accommodation service is provided to the students whose contracts expire after 30 June in the rooms determined by the fee management.

5.8. The rooms are submitted to the students by the Dormitory Management. This process is taken in minutes; the cost of the damages caused by the usage error is collected from the student. (While determining the fee, it is obtained from the student by making market research based on the brand and quality of the tools and materials used in the rooms.)

5.9. Dormitory Management provides three meals in a day. However, these services are provided by a private company and are subjected to a fee. Dormitory Management may change the terms and hours of these services provided that they inform the students in advance.

5.10. Dormitory Management provides laundry service for a fee. The responsibility of the damaged laundry belongs to the student. (Students are obligated to inform the personnel on which program the laundry should be washed to avoid any damage.) Students should count the laundry while lending it and receive it by counting it again. They cannot hold responsible for the dormitory administration for the lost belongings. Students can benefit from the laundry service in the related days and hours. Students must get a receipt from the Dormitory Management to benefit from the service. Students without a receipt cannot benefit from the service. It is forbidden to wash the shoes in the washing machines. Laundry cannot be delivered without a net, so students

must supply a net. Laundry which is not suitable for the drying should be received on the same day within the working hours of the laundry.

**5.11.** If the Dormitory Management finds it necessary, they can carry out a search in the rooms, desk cabinets, wardrobes, and lockers; seize the items that are forbidden to be brought to the dormitory.

**5.12.** Searches can be done at the entrance and exit of the dormitory or within the borders of the dormitory for security purposes (ID check, body search, bag, etc.).

**5.13.** Students can request to change the room only once during the term provided that a valid excuse is given. The Management evaluates the request within the possibilities; however, the request does not require a change of room.

**5.14.** The Management is authorized to close the common areas or independent sections from time to time for modification and construction, to allocate only some relevant persons and their authorization, to organize various promotional activities whenever and wherever they want, and to put various products. If the construction works mentioned above take place in front of or inside the dorms, the works will be finished asap. In case the duration of the work extends the working hours, the students will not be able to claim any compensation.

**5.15.** Nurses or healthcare technicians work in the infirmary in the dormitories. In emergencies, medical staff in the infirmary intervene. However, in cases that need to be directed to health institutions, an ambulance is called, if the ambulance does not arrive or if the student receives health service directly from the health institution without going to the infirmary, the student should cover the medical and travel expenses. In cases where the student is directed to the hospital, the dormitory staff is not responsible for them.

**5.16.** If it is determined that the health of the student is impaired at a level preventing them from living in common places or if an infectious disease occurs, necessary measures are taken according to their situation. The student gets discharged from the dormitory considering the other students' health.

**5.17.** If the student has committed several disciplinary offences specified in the Dormitory Rules, the most severe penalty for these acts is applied.

**5.18.** The first-degree relative of the students (father, mother, sibling) is allowed to visit the student between 10 AM to 9 PM. The visitors have to leave the dorms by 9 PM. The ID information and the entrance/exit time of the visitors are recorded in the guest book. The visit takes place in the lobby. Except for first degree relatives,
